

University Place Veterans Plaza Support Our Veterans

Order Form for Commemorative Paver Tile

The movement is on to complete the University Place Veterans Plaza that will be located at the entrance to Cirque Park off of Cirque Drive in University Place, Washington. Veterans and volunteers from University Place have come together to form a committee to create this memorial to honor the service of its citizens who have or are serving their country in military service in time of peace and war and to remember the families and friends who supported those veterans. Please help the University Place Veterans Plaza committee fund this project by purchasing one or more donor paver tile to provide you the opportunity to honor a loved one. Within the overall memorial is a "Donor's Plaza" where the commemorative paver tile will be placed for veterans past, present, and future. Numbers of paver tile and space is limited.

The paver tile are 8" x 8" x 2 1/4". The first tile will cost \$75. If more than one tile is desired, each additional tile will cost \$50. Military branch or related service insignia can be added to a tile for an additional cost of \$30 per tile. Military branches and related service insignia options include Army, Navy, Air Force, Marines, Coast Guard, Space Force, Merchant Marines, and POW/MIA.

Engraving Instructions: A maximum of three lines of text will be available, subject to placement on the tile and length of words. Place a printed letter in each box. Include spaces between words, dash marks, quotation marks, etc.
